**WH Questions with the Simple Past Tense**

**They** studied **physics** **in the library** **for 6 hours** **yesterday**.

They => Subject

studied => Verb

physics => Object

in the library => Adverb of Place

for 6 hours => Adverb of Duration

yesterday => Adverb of Time

**WH Word + did + Subject + Verb + ...?**

- **When** did they study their lessons?
- **How long** did they study their lessons?
- **Where** did they study their lessons?
- **What** did they study in the library yesterday?
- **What** did they do in the library yesterday?

How long = چه مدت

**Point:**

When the WH question is about the subject, we don't need to use "did" in our question.

- **Who** studied physics in the library for six hours yesterday?
